Comprehensive Plan Update -- The Planning Commission has completed the review of the Comprehensive Plan and has held a public hearing on the proposed changes to the Plan. The Commission has reviewed public comments and has forwarded the plan to Town Council for action.

The Planning Commission has begun a comprehensive review of the zoning uses in the different zoning districts with particular emphasis on Special Use Permits. The goal being to remove those special uses that are outdated or no longer relevant and allow them as uses by right. Expect phase I, which will include most of the residential uses and the Institutional Public District to be ready for public hearing late summer. The Planning Commission continued a public hearing from their August 15, 2013 meeting to a joint public hearing with the Town Council on September 10, 2013 on proposed amendments to the zoning ordinance regarding uses by right and uses by special use permit for the R-2, R-T, R-8, R-15, and IP zoning districts and regarding changes to Article 6 which provides additional regulations for college and university uses. The ordinance containing these amendments was adopted by Council on September 10, 2013. The Planning Commission is continuing to review the uses in other zoning districts.

The Planning Commission will hold a public hearing on proposed amendments to Purcellville's Land Development and Subdivision Control Ordinance on November 7, 2013. These changes propose to make the document internally consistent, reflect current law, and promote the efficient processing of plans. Staff requested that the Town Council refer these amendments to the Planning Commission for its recommendation, and Council passed a motion to do so at their October 22, 2013 meeting. The Planning Commission recommended approval of the amendments to the LDSCO at their November 7, 2013 meeting. A public hearing has been scheduled for the December 10, 2013 Town Council meeting. **The Town Council approved the proposed changes to the LDSCO at the December 10, 2013 meeting.**

A Town Council/Planning Commission joint public hearing is scheduled for December 10, 2013 on a proposed Zoning Ordinance amendment to include health club/fitness center as a permitted use instead of a special use in the mixed commercial zoning district. **Following the public hearing and affirmative recommendation by the Planning Commission, Town Council adopted the ordinance amending the zoning ordinance as proposed.**
