WATER TOWER RENOVATION

PURCELLVILLE, VA November 9, 2018—The Town of Purcellville’s Contractor, USCI is currently in the process of renovating the elevated water tower. The tentative schedule includes sand blasting, priming, and painting to be completed by mid-November, 2018. Disinfection and sampling of the interior should be complete by mid-December, 2018.

The next phase will be structural upgrades which includes the installation of sway rods and an exterior ladder completed by the end of February. The exterior sand blasting and priming should be completed by April, 2019. The exterior intermediate coat of paint, exterior finish coat, and logo should be completed by May, 2019. Disinfection and Sampling will then take place and should be completed by the end of May, 2019.

The work will in no way impact delivery of quality water to our residents and businesses throughout the work period.

The town is working with the cell carriers to address any disruption of service quality which may be attributed to the work.

The estimated project completion date with cell phone antenna installations is June 2019. Thank you for your patience.

The Town of Purcellville, Virginia

Purcellville is an award-winning town of over 9,000 residents located in Loudoun County, approximately 40 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 10th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer’s markets, wineries, breweries, distilleries and restaurants.
