WATER TANK MAINTENANCE; POSSIBLE CELL SERVICE INTERRUPTIONS

PURCELLVILLE, Va. May 31, 2018— As work continues on the Maple Avenue Water Tower Maintenance and Renovation Project, you may experience intermittent cell service interruptions in Town while the cellular antennas are being temporarily relocated. The Town has received the following schedule for antenna relocation for the various providers:

AT&T – work continues today through Friday, June 1
Verizon - work is scheduled to begin Monday, June 4 through Thursday, June 7
T-Mobile – work is scheduled to begin on Friday, June 8 through Tuesday, June 12
Sprint – work is scheduled to begin on Thursday, June 14 through Monday, June 18

All work affecting cell service is expected to be completed by Monday, June 18.

We apologize for any inconvenience this may cause.

The Town of Purcellville, Virginia

Purcellville is an award-winning town of over 9,000 residents located in Loudoun County, approximately 40 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 10th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
