COVID-19 LOCAL COORDINATION AND RESPONSE TO REPORTED HEALTH CONCERNS

PURCELLVILLE, Va. March 21, 2020 — As Town Manager, I want to assure all citizens that our Mayor, Town Council, and entire administrative team have been, and will continue to be, engaged with state and county government and health officials to coordinate our response to the COVID-19 pandemic. These engagements are guiding our daily decisions to protect the health, safety, and welfare of our community. If any resident wants to report a suspected positive COVID-19 case, or has a health concern about any business that is still operating, we encourage you to call the Loudoun County Health Department Hotline at 703-737-8300. Reports will be investigated.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 12th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
