**NOTICE OF TOWN COUNCIL SPECIAL MEETING
WEDNESDAY, JULY 27, 2022**

PURCELLVILLE, Va., July 19, 2022 — The Purcellville Town Council has scheduled a special meeting on **Wednesday, July 27, 2022 at 6:30pm**. The meeting will be held in the Town Council Chambers at Town Hall, 221 S. Nursery Ave. The purpose of the meeting is to receive citizen questions and feedback regarding the Loudoun County Fields Farm Recreational Facility and Commuter Lot project. In addition, staff will brief the community on current safety issues on Mayfair Crown Drive that exist independent of the County's proposed recreational fields and commuter lot. These safety issues have already been assessed by the Department of Engineering & Public Works, and solutions have been identified, namely: relocating of the school bus stop from Purcellville Rd. to Dunraven, installing pedestrian cross walks, redesigning on-street parking, and other traffic calming measures. Please note that County representatives will not be available to present their application nor answer questions about the Fields Farm Park or Commuter Lot project.

A separate public information meeting with County representations to discuss the Fields Farm Park and Commuter Lot will be scheduled for **Wednesday, September 7 at 6:30 PM** at Town Hall. Questions received by residents in writing or verbally in person at the July 27 meeting will be captured and forwarded to the County for response. These public information meetings are being held prior to the public hearings for rezoning and special use approval, which will be conducted by the Planning Commission and Town Council.

The Town of Purcellville, Virginia

"Purcellville-your small Town, where history and progress intersect and people prosper," is an award-winning town of approximately 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the 2021 Virginia Municipal League Innovation Award for Environmental Sustainability and in years past, the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for innovation and green initiatives. The Town most recently received the Tree City USA Award for the 14th consecutive year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and was ranked "Safest City" in Virginia in 2020. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer's markets, wineries, breweries, distilleries and restaurants.
